<p>1. While scanning some emigre newspapers, the undersigned, who is familiar with the AESIDECAR case, located an article regarding the present whereabouts and activities of AESIDECAR/2, who recruited [] for KUBARK in PBPRIME in 1962. According to the Latvian language article dated June 1964, which is being forwarded as separate cover attachment B to this dispatch, AESIDECAR/2 presently resides in Identity/1 where he has obtained employment as Identity/2 Olympic field and track coach.</p> <p>2. Although the undersigned recollects that there is some question whether AESIDECAR/2 can be used operationally again because of his abortive, private attempt to defect an (FJSTEAL) athlete in (PBPRIME) in 1963, it is very likely that he will run into [] at the Olympics in Japan anyway. Therefore, Headquarters may give some consideration to recontacting and briefing AESIDECAR/2 prior to his departure for Japan.</p> <p>3. The undersigned recollects that [] bona fides were never established. In fact there were indications that [] may be a KGB staffer or associated with the KGB, for an athlete from one of the Satellite countries at the 1956 Olympics told AESIDECAR/2 that he had seen [] in a uniform of the MVD or KGB. Furthermore, [] reportedly bought a 1955 or 1956 Buick in the USSR from a Soviet colonel or general some years ago. This Buick may be identical with the one which, according to [] belonged to a KGB colonel or general in Latvia circa 1956 who had bought it in the West. However, regardless if [] is associated with the KGB or not, he was given some PI requirements in 1962 and it is not likely that he would refuse to comment on those requirements and other matters if contacted by KUBARK in Japan.</p>
